Dear Anil Sheti Ji,

Jai Jinendra!

Swasthi Shri Bhattakalanka Swamiji wished you Almighty's Blessings and welcomed you and your family to Shri Swadi Jain Mutt.

Shri Kshetra Swadi Digambar Jain Mutt established by Acharya Shri Akalanka Guru by 7th century and from that date onwards the Mutt has been developed by nearly 60 Bhattarakas.

From the year 2013, the Mutt is run and continually developed under the aegis of Swasthi Shri Bhattakalanka Bhattaraka Swamiji. Under the guidance of Swamiji - Shri Swadi Sabha Bhavan, Padmasagar Yatri Nivas, Ashirvad Athithi Nivas, Akalanka Deva Tyagi Nivas, Swadi Gurukul, Shri Swadi Goshaala and Government Yatri Nivas has been constructed for devotees of the Mutt.

Shri Neminatha Theerthankara Basadi and Mutthinikere(Pond) has been renovated by Swamiji with support and help from all the devotees of the Mutt.

At the moment, a 9000 sq.ft Bhojan Shaala is under contruction to serve Prasadam to devotees. We at Swadi Jain Mutt appreciate your various donations and service to the Jain community and the way this service is carried by your family generation after generation. We take this moment to remember and thank your Trust for helping us with the medical camps conducted at Sonda Shri Swadi Jain Mutt that helped serve many people near Sonda.

We seek your support and help in getting the granite flooring for ground and first floor and vitrified tiles for walls in the under contruction Bhojan Shaala and details are attached.

Any help at your convenience in this regard is appreciated.

Once again, we wish you and your family to come and visit Shri Swadi Jain Mutt.

Thank You!

Manager, Shri Kshetra Swadi Jain Mutt, Sonda
